Subject: Re: Gold King Mine - Pipe Line Corridor Access

Hey Elliot,

Thanks for the map. If possible can you provide BLM the total pipe footage to be placed on BLM, and the possible number and locations of anchor points. Please cc' Jen Jardine with this information as I will be out of the office frequently over the next two weeks. Jen is the BLM's local (Durango) lands and reality specialist and will be of great assistance in getting what EPA needs. Thanks

Hi Brent and Steve,

Steve Way asked that I forward this map to you showing the Gold King Mine to Upper Gladstone Claims and Ownership. The project needs access to the unpatented land as illustrated with the red pipe line corridor in the drawing.

Thanks,
Elliott
